#### SUPPLEMENTARY INFORMATION:

##### Agenda:

The Herring Committee will meet to review recommendations from the Herring Plan Development Team and Herring Advisory Panel. They will review draft Atlantic herring specifications and river herring and shad catch caps for fishing years 2023-25 and recommend preferred alternatives. The Committee will consider recommending to the

Council a change in priorities to discontinue work on Framework Adjustment 7 to protect adult spawning herring on Georges Bank. They will also discuss possible herring priorities for 2023 and make recommendations to the Council, as appropriate. Other business may be discussed, as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

#### **Special Accommodations**

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.
